F. PARENT/GUARDIAN RESPONSIBILITIES

TRUST ACCOUNT

New York state law requires fifteen percent of a child performer's earnings to be placed in trust in accordance with Part 7 of Article 7 of the estates, powers and trusts law. The child performer's parents or guardian must establish the child performer trust account to comply with this requirement. The child's parents or guardian must provide the child performer's employer with the information necessary to transfer these monies to the account. Failure to comply with this requirement will prevent the Department of Labor from renewing the child's permit to work as a child performer.

The parent/guardian must:

- Establish a child performer trust account within 15 days of the start of employment, unless one already exists.
- Notify the child performer's employer of the existence of the account within 15 days of the start of employment including any additional information required to make transfers.
- Notify the employer of any change in facts that could affect the employer's obligation to make transfers.
- Notify the child performer's employer if they wish it to transfer more than 15% of the child performer's gross earnings.
- Appoint a trust company as custodian of the account once the balance reaches \$250,000.

ACADEMIC PERFORMANCE

New York State law requires that all child performers maintain satisfactory academic performance as determined by their school of enrollment. Whenever a child performer is not receiving instruction as required by New York State Education Law due to his/her employment schedule, the employer must provide required instruction. The parent/guardian must:

- Provide evidence each semester to the Department demonstrating that the child performer is maintaining satisfactory academic performance as determined by the child performer's school of enrollment.
- Work with the child performer, any certified teacher provided by the employer, and with the child's school of enrollment to ensure that the child receives required instruction.
- Make sure that a child performer required to attend school is not without educational instruction and unemployed for longer than ten (10) consecutive days while the school of enrollment is in session.

CERTIFICATES AND PERMITS

New York State law requires that all employers of child performers have a valid Certificate of Eligibility to Employ Child Performers from the Department and that all child performers they employ have a valid Employment Permit for a Child Performer from the Department. The parent or guardian must:

- Obtain an Employment Permit for a Child Performer (valid for one year) before employment begins and give the original to each employer.
- Renew this permit for the child performer 30 days prior to expiration.

G. DECLARATION

I affirm that I am the ☐ parent ☐ legal guardian of the above applicant.
